The funeral procession on Monday for Det. Carlos Vega passes under a ceremonial flag at Washington Park on the way to Our Lady of Grace Church. Det. Carlos Vega served 20 years on the Police Department, and was a life-long Chelsea resident.

## Det. Carlos Vega passes after long bout with cancer

By Seth Daniel

After a five-year battle with cancer, life-long Chelsea resident and Chelsea Police Det. Carlos Vega, 46, passed away on June 7, but his brothers and sisters in blue this week said he will not be forgotten.

Det. Vega was born in Boston, but grew up in Chelsea and lived her his whole life. He was a 20-year veteran of the Chelsea Police, where his son Carlos Jr. is also on the force. Most recently, he was the Property and Evidence Officer and made

key changes to procedures in the Department's evidence room recently. For that, Chief Brian Kyes

said, they have named the new room after him and installed a plaque there as well.

Known on the job as 'The Whisperer,' he was soft-spoken, but thorough and meticulous, said Kyes. "It's a significant loss for our community and our department," said Kyes. "We're losing a great man and a great friend."

Vega entered the Police Academy in 2002 in Weymouth with a class that included Brian Dunn, Joe Bever and Tom Riley. "He worked on a patrol

## Gladys Vega, Vida Verde to pursue cannabis license for Parkway site

By Seth Daniel

La Colaborativa Director Gladys Vega announced this week that her company, Vida Verde, would pursue a cannabis retail and transportation license at the former tuxedo shop on the Parkway in Chelsea.

Vega and business partner, Leah Piantidosi, will pursue the Chelsea license with the goal of having three recreational cannabis shops in the region – with one already in the works for Somerville and another one in Malden.

Vega said she considered the marijuana industry when it was first legalized more than three years ago, trying to decide if she would get involved in the new industry. She said coming from a home where there was drug use was prevalent, and she felt she would be the kind of responsible person to introduce the industry into Chelsea correctly.

"Because I grew up in Chelsea, I have experienced growing up in a household where my brother used heavy drugs," she said. "The abuse of marijuana in our family was very hard growing up. As I got older, I wondered what I would do if marijuana was legalized, and if I would get involved...I want to make sure Chelsea, these businesses go in and come out without doing anything for the residents. Many people become rich and are I and out of our city. I want to create a foundation and have this do things to support our city. I have invested my whole life into Chelsea and I want to make sure whom-ever makes an investment in Chelsea gives back to Chelsea."

Vega said one of the main reasons she is involved is, one, for the health aspects that her business partner, Piantidosi, has testified to – find-

ing that it helped her late mother when she had cancer. The other reason is to set up a foundation that will help La Colaborativa and other non-profits continue their critical work in the community.

"My plan is to kick-off these businesses and have Chelsea managers that are able to manage the operations and hopefully three years from now, I can be at all location three locations," she said. "I want to be able to do that when I have the resources for La Colaborativa and the Foundation is intact and I don't have to stay up late figuring out how to make our payroll. Right now we're okay because of the pandemic, but the pandemic is old news and people will forget about it and our blanket of poverty will continue. The problems from this pandemic will be something we have to battle for years and

In an impressive ceremony held on a picture postcard pre-summer day, the beautifully done souvenir program distributed to the guests said it very well about the outstanding contributions of Kim Hanton to the North Suffolk Mental Health Association.

The program read: "NSMHA's Addictions Division wouldn't be what it is today without the leadership, guidance, and vision of Kim Hanton."

Hanton retired from the organization in 2020 after 34 years of exceptional service. She is currently Chief of Staff to Revere Mayor Brian Arrigo's Office.

The tribute to Kim Hanton Wednesday was the

Hanton House - a fully accessible, 12-bed residence with co-occurring mental health and substance use disorders – that was named in her honor. City and state officials joined Hanton's colleagues, friends and family at the dedication and official ribbon-cutting ceremony.

State Secretary of the Executive Office of Health and Human Services Marylou Sudders and NSMHA Chief Executive Officer Dr. Jackie K. Moore praised Hanton's dedication, energy, and optimism during her career at the organization.

Sudders presented a Governor's Citation to Hanton "in recognition of your passion and commitment to public service, your compassion and dedication to serving those

who have a mental illness or substance use disorder, and your outstanding leadership and tireless efforts during the COVID-19 pandemic to support and protect the residents of Revere." Moore spoke

## Chelsea Juneteenth Celebration set for Friday in Chelsea Square

By Cary Shuman

Chelsea Black Community (CBC) President Joan Cromwell will oversee the speaking program at the Juneteenth Independence Day Celebration scheduled for Friday at 11 a.m. at Chelsea Square Park.

"We're good to go," Cromwell said Wednesday.

The CBC leader said that the keynote speaker will be Dr. Tamara Blake-Canty, literacy and humanities coordinator

for the Chelsea public schools.

"Dr. Canty will share the meaning of Juneteenth with our guests," said Cromwell.

Nehemie St. Louis, a teacher in the Chelsea REACH Program, will also deliver remarks in the program. City Manager Thomas Ambrosino will bring the greetings of the city. A letter from Sen. Edward J. Markey will be read during the program.

Chelsea City Councilors Leo Robinson and Calvin Brown will read a proclamation from Gov. Charlie Baker making Juneteenth an official state holiday.

CBC members will present the opening prayer and closing address. CBC leaders Henry Wilson and Dakeya Christmas will be a part of the Juneteenth flag-raising ceremony.

Rosalie Placid, Joe Camara, and Tory Diabate will provide the musical entertainment. Chelsea-based Girl Scout Troop No. 62751 will be reciting the poem, "The Hill We Climb."

Beautiful African artwork, clothing, and artifacts will be on sale at "A Taste of Africa" exhibit table.

The Chelsea Police Department will be on site with its well-known and popular ice cream truck.

And in what has the city buzzing, Cromwell indicated there will be surprise guest appearance. Cromwell is excited about the program that has been in the works for the past few months.

"Juneteenth is also known as Freedom Day, Jubilee Day, and by some, Emancipation Day," noted Cromwell.

DIVISION STREET PAINTING

The painting for the big roadway mural for Division Street last week, with more road mural work done last weekend behind Apollinaire Theatre and behind Tu Casa – all on Division Street. The effort is just one part of a larger effort in the downtown to make it more pedestrian-friendly and to create a lively sense of place and security in areas that have historically not been so kind. Meanwhile, this weekend, on June 19, there will be a Community Paint Day on Winnisimmet Street in front of Apollinaire Theatre. It will also be a celebration of Juneteenth. All are invited to join in and paint a large street mural along that section of Winnisimmet Street, and prepare it for performances that will take place there throughout the summer months. There will be snacks, music and the work will be paint by number. Community Paint Day is from 10 a.m. to 4 p.m., with a rain date on June 20.

Ward 4 democrats to meet June 26

Registered Democrats in Chelsea Ward 4 will hold a Caucus on Saturday June 26, 2021 at the Chelsea Public Library, 569 Broadway at 10 a.m., in the Auditorium, to elect Delegates and alternates to the 2021 Massachusetts Democratic State Convention.

This year’s State Convention will be held on September 25th at a venue to be determined, where Democrats from across the State will come together to adopt a Party Platform, discuss Party business and celebrate our successes

as we prepare for upcoming elections. The event will take place on-line with all Federal, State, and local health guidelines and will include a virtual option for participation.

This Caucus is open to all registered and pre-registered Democrats in Ward 4. Pre-Registered Democrats who will be 16 by June 15,2021 will be allowed to participate and run as a Delegate or Alternate. Ward 4 can elect four Delegates and four Alternates to the Convention.

Grindy, via her mother, Maria Argueta - August 2020

I’ve lived in Chelsea for 3 years. Before that I lived in East Boston. I come from El Salvador, in the countryside. I came alone to the US. My three daughters were born here. Four of us live together, me and my three daughters, aged 12, 7 (almost 8!), and 4-month-old baby.

I like living in Chelsea, I like everything, the community, the people,

everything is nearby, the transportation, [is] very important. Grindy is in school, in 2nd grade. She likes her teachers, and has lots of friends. She speaks English with her friends.

I’m not working at the moment, because of the baby. Before I had the baby, I worked in a McDonalds. The Collaborative helps a lot. They give us food, diapers.

My baby was born at the Boston Medical Center. It was a difficult birth because of all that is going on, the virus, and it was an emergency C-section.

What’s missing from Chelsea? People don’t know enough about Covid19, to keep a safe distance, to protect themselves and the community by wearing masks.

# An Update to the Chelsea Community.

At the direction of the MBTA's Fiscal and Management Control Board, the T created the Chelsea Transportation Task Force in 2018 to identify and recommend improvements to public transit service impacted by Tobin Bridge roadway construction.

Working collaboratively with our partners in Chelsea, including members of the City Council, Greenroots and the Conservation Law Foundation, the MBTA has undertaken the following:

## Increased Frequency

Increased service frequency on the Routes 111, 112, 116, 117 and SL3 to reduce crowding during the COVID-19 public health emergency.

## New Bus Lanes

Supported the opening of a dedicated bus lane on the Tobin Bridge. This bus lane, along with additional transit priority initiatives on Broadway Street in Chelsea and North Washington Street in Boston, makes the MBTA's Route 111 bus route one of the most prioritized bus routes in the MBTA system.

## More Investments

Relocated the Chelsea Commuter Rail Station, an \$18M investment scheduled to open in the Fall 2021.

## Fare Mitigation

Offered fare discounts for inbound SL3 riders, as well as for commuter rail riders boarding at the Chelsea Commuter Rail Station using a CharlieCard throughout the duration of Tobin Bridge construction.

## New Service

Launched new SL3 service and invested \$56.5M to construct four new stations in Chelsea to connect residents to the Blue Line at Airport, the Seaport District, and the Red Line at South Station.

## Bus Network Redesign

A program to examine the bus network as a whole. The MBTA will examine the route 112 to determine how it reflects travel patterns for current and future bus riders.

## Service Adjustments

Hired additional bus operators for the Route 111 and adjusted service resulting in a reduction in cancelled trips and rider complaints.

The MBTA recognizes the importance of public transit to the City of Chelsea and for its residents that depend on buses and trains to get them safely and efficiently to their destinations. The MBTA thanks the Chelsea Transportation Task Force for their dedication and commitment to public transportation and the residents of Chelsea.

# Una actualización para la comunidad de Chelsea.

Bajo la dirección de la Junta de Control Fiscal y de Gestión de la MBTA, el T creó el Grupo de Trabajo de Transporte de Chelsea (Chelsea Transportation Task Force) en 2018 para identificar y recomendar mejoras en el servicio de transporte público afectado por la construcción de la carretera del puente Tobin.

Trabajando en colaboración con nuestros socios en Chelsea, incluidos los miembros del Ayuntamiento, Greenroots y Conservation Law Foundation, la MBTA ha emprendido lo siguiente:

## Mayor frecuencia

Aumento de la frecuencia del servicio en las rutas 111, 112, 116, 117 y SL3 para reducir las aglomeraciones durante la emergencia de salud pública COVID-19.

## Nuevos carriles para autobuses

Apoyó la apertura de un carril exclusivo para autobuses en el puente Tobin. Este carril de autobús, junto con otras iniciativas de prioridad de tránsito en la calle Broadway en Chelsea y en la calle North Washington en Boston, hace que la ruta de autobús 111 de la MBTA sea una de las rutas de autobús más prioritarias del sistema de la MBTA.

## Más inversiones

Reubicación de la estación del tren suburbano de Chelsea, una inversión de \$18M programada para abrir en el otoño de 2021.

## Mitigación de tarifas

Ofreció descuentos en las tarifas para los pasajeros de la línea L3, así como para los pasajeros de los trenes de cercanías que abordan en la estación de trenes de cercanías de Chelsea utilizando una CharlieCard durante la duración de la construcción del puente Tobin.

## Nuevo servicio

Se lanzó el nuevo servicio SL3 y se invirtieron \$56.5 millones en la construcción de cuatro nuevas estaciones en Chelsea para conectar a los residentes con la Línea Azul en el Aeropuerto, Seaport District y la Línea Roja en la Estación Sur.

## Rediseño de la red de autobuses

Un programa para analizar la red de autobuses en su conjunto. La MBTA estudiará la ruta 112 para determinar cómo refleja los patrones de viaje de los usuarios de autobús actuales y futuros.

## Modificaciones al servicio

Contratación de operadores de autobús adicionales para la ruta 111 y ajuste del servicio, lo que ha permitido reducir los viajes cancelados y las quejas de los usuarios.

La MBTA reconoce la importancia del transporte público para la ciudad de Chelsea y para sus residentes que cuentan con el servicio de autobuses y trenes para llegar a sus destinos de forma segura y eficiente. La MBTA agradece al Grupo de Trabajo de Transporte de Chelsea por su dedicación y compromiso con el transporte público y los residentes de Chelsea.

EDITOR IN CHIEF: Cary Shuman

### THE GUN CRISIS

The recent increase in mass shooting incidents across the country comes as no surprise to anyone with an ounce of common-sense.

The ease of purchase, and relatively low-cost, of assault-style weapons, particularly AR-15 semi-automatics with large-capacity magazines, makes it possible for anyone to become a mass murderer.

And make no mistake about it, the purpose of high capacity magazines in assault weapons is to reduce the time it takes to reload, thereby increasing the time in engaging the target, ensuring that a mass murderer can kill and maim large numbers of victims in a matter of seconds.

It is not a coincidence that the vast majority of mass shootings occur in states with lax gun laws. Texas, Georgia, and other Southern states impose virtually no restrictions on the purchase and sale of these weapons that are designed to kill and maim as many people as quickly as possible.

Up to now, Massachusetts and many other states with stronger gun laws fortunately have been fairly insulated from such incidents.

However, that soon may change. It has long been the goal of the National Rifle Association and the gun lobby to invalidate what those groups consider to be restrictive gun laws in violation of the Second Amendment in every state. They want every citizen in the country to be able to buy whatever gun they want, whenever they want, and to be able to carry loaded firearms in public all the time and everywhere.

The NRA basically has adopted Archie Bunker-reasoning. (Archie’s solution to solving the airplane hijacking problem of the 1970s was to give every passenger a gun when they boarded so that they could “get the drop” on the would-be hijacker).

The NRA’s long-cherished dream of an AR-15 in every household took a big step forward two weeks ago with a decision by a federal judge striking down California’s ban on the sale of assault-style weapons that has been in effect since 1989.

The judge began his opinion with these words: “Like the Swiss Army Knife, the popular AR-15 rifle is a perfect combination of home defense weapon and homeland defense equipment. Firearms deemed as ‘assault weapons’ are fairly ordinary, popular, modern rifles.”

Obviously, even comparing an AR-15 to a Swiss Army Knife is ridiculous on its face -- we’ve never heard of a mass murderer using a knife as a weapon -- but what in our view was really chilling was the judge’s words stating that an AR-15 is useful as a “homeland defense weapon.”

That wording mimics what the gun crowd (the type of guys who like to dress up in camouflage) sees as the principal argument in favor of lax gun laws: That ordinary citizens will need these weapons in order to defend our country against the possibility of a foreign invading army.

That argument likewise is nonsense, but it’s what animates the gun types who like to play soldier -- and obviously was among the reasons for the judge’s decision striking down the California statute.

The state is appealing this judge’s ruling. Ultimately, this question will reach the U.S. Supreme Court. However, given the present make-up of the court, we would bet even-money that the court will strike down the California statute -- and when that happens, it will be open season on innocent Americans all across the country for mass murderers.

### Strategize your money flow

By Dr. Glenn Mollette

If your outgo is more than your income then your upkeep will be your downfall.

A sure way to disable yourself financially is to spend more than your income.

If your income is \$2500 a month then you can’t spend \$3500 a month and come out ahead.

An old friend used to say, “You can’t borrow yourself rich.”

We have “wants” and “needs.” Needs must always outweigh wants. We need food and shelter, transportation and basic utilities to survive.

A person with a small income has severe financial pressure and must live on a strict budget. The person who has a lot of income still must determine a budget. The principal is the same for

the person who has more income. Your outgo must not exceed your income. If you are earning \$9,000 a month but spending \$10,000 you are going to end up in financial trouble.

With a very low income even the very basic needs become a luxury. Keeping the house warm or cool is a luxury. Buying good or healthy groceries are difficult. Buying gasoline to go to work is expensive. If you have access to a credit card, the pressure is great to put basic living needs on the card but the exorbitant fees and interest of credit card companies begin to quickly intensify your financial burden.

Your choices are few when it comes to good household budgeting. Let’s look at a lean budget. Let’s say your income is \$2,000 a month.

You can afford the following: \$500 a month in rent, \$250 a month in utilities, \$250 a month for a used car payment and \$150 a month for gasoline. This gives you \$850 a month to buy food on and buy basic auto insurance. You will have to go through your state medical insurance program and apply for free state health insurance because you can’t afford to buy health insurance. You also have to figure out how to make more money. You have to work hard where you are and do good so you can get a better paying job. Or, you must gain additional income through a second job. With surging inflation facing our country this makes these numbers an intense strain. Consider living as close to your job as possible to save on transportation costs.

If your income is \$5,000, \$10,000 a month or more. Your strategy is easier. Your main goal must be to not buy a house or a car that stretches your income to the max. You don’t need the stress. Budget so you can afford to take a vacation or have a play day. Life is short! Enjoy it along the way. How you budget and spend your money can make you financially unstable or you can live with a feeling of financial security.

### LETTER to the Editor

#### REINSTATEMENT OF SUNDAY MASS OBLIGATION

To the Editor,  
“Without the Lord’s day, we cannot live!” His Holiness, Pope Benedict, in his homily at the Cathedral of Saint Stephen in Vienna on September 9, 2007, quoted the Abitinian Martyrs, who during the persecution of Emperor Diocletian were arrest-

ed for celebrating Sunday Mass. The martyrs responded to the magistrate: “Sine dominico non possumus!” – without the Lord’s day, we cannot live! The Pope went on to say: “For these Christians, the Sunday Eucharist was not a commandment, but an inner necessity. Without him who sustains our lives, life itself is empty. To do without or to betray this focus would deprive

life of its very foundation, would take away its inner dignity and beauty.”

Aware that the opportunity to participate in Sunday Mass is increasingly available and increasingly safe for our Catholic people, we are joining dioceses in the Boston Province (Boston, Fall River, Springfield, Manchester, and Portland) in lifting the dispensation of the Sunday and Holy Day Mass obligation, effective the weekend of June 19 and 20, 2021.

We are mindful of the Lord’s statement: “Where two or three are gathered together in my name, there am I in the midst of them.” (Mt 18:20). While we certainly can pray alone, there is both strength and blessedness in communal prayer.

We do also note that attendance at Mass is our way of following the Third Commandment of the Decalogue: “Remember the sabbath day – keep it holy. For six days the LORD made the heavens and the earth, the sea and all that is in

them; but on the seventh day he rested. That is why the LORD has blessed the sabbath day and made it holy.” (Ex. 20:8,11)

We call to mind the many times we see Jesus observing the sabbath by going to the synagogue and teaching there (Mt 13:54, Mk 1:21-28, Lk 4:16-30, Jn 6:22-59). It is a desire of every Christian to conform his or her life to the life of Jesus, and Jesus went to the synagogue on the sabbath.

Most significantly, receiving the Eucharist is the center of every Catholic life. The Lord commands us to take and eat, and to do it in memory of Him. (Mt 26:26-30, Mk 14:22-26, Lk 22:14-20, 1 Cor 11:23-26, CCC 1324). The Eucharist is food for our difficult journey through life, filling us with joy and strengthening us to embrace our suffering. It transforms us from the inside out and creates a unity among us that is a strong witness to the whole world.

The Commonwealth of Massachusetts DEPARTMENT OF PUBLIC UTILITIES NOTICE OF FILING AND PUBLIC HEARING D.P.U. 21-27 June 8, 2021 Petition of the City of Chelsea for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c 164, § 134. On February 26, 2021, the City of Chelsea ("City") filed a request with the Department of Public Utilities ("Department") for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program ("Program"). Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the Program unless they chose to opt-out, in which case they would continue to receive basic service provided by their electric distribution company, NSTAR Electric Company, d/b/a Eversource Energy. The Department docketed this petition as D.P.U. 21-27. The City has retained MassPowerChoice, LLC to serve as its consultant in this proceeding and to assist in the implementation of the Program. The City seeks a waiver on its own behalf and on behalf of the competitive electric supplier(s) chosen for the Program, of certain information disclosure requirements contained in G.L. c 164 § 1F(6) and 220 CMR 11.06(4)(c).

Due to the COVID-19 state of emergency issued by Governor Baker on March 10, 2020, and certain ongoing restrictions and safety measures relating to in-person events, the Department will conduct a virtual public hearing to receive comments on the City's filing. The Department will conduct the hearing using Zoom videoconferencing on Tuesday, July 20, 2021, beginning at 7:00 p.m. Attendees can join by entering the link, <https://zoom.us/j/99964134000>, from a computer, smartphone, or tablet. No prior software download is required. For audio-only access to the hearings, attendees can dial in at (646) 558-8656 (not toll free) and then enter the Meeting ID# 999 6413 4000. If you anticipate providing comments via Zoom during the public hearing, please send an email by the close of business (5:00 p.m.) on Friday, July 16, 2021, to [jessica.ellis@mass.gov](mailto:jessica.ellis@mass.gov) with your name, email address, and mailing address. When using the Zoom platform, you will be able to listen to the hearing and provide comments in English or Spanish. To access interpretation services through Zoom during the hearing, click on the "Interpretation" button on the menu bar at the bottom of the Zoom application screen and select your language (English or Spanish). Alternatively, any person who desires to comment on this matter may submit written comments to the Department via email no later than the close of business (5:00 p.m.) on Wednesday, July 21, 2021. To the extent a person wishes to submit comments in accordance with this Notice, electronic submission, as detailed below, is sufficient. All written comments or other documents should be submitted to the Department in PDF format by e-mail attachment to [dpu.efiling@mass.gov](mailto:dpu.efiling@mass.gov) and [jessica.ellis@mass.gov](mailto:jessica.ellis@mass.gov). In addition, all written comments should be emailed to counsel for the City, Paul Gromer, Esq., at [pgromer@gromerllc.com](mailto:pgromer@gromerllc.com). The text of the e-mail must specify: (1) the docket number of the proceeding (D.P.U. 21-27); (2) the name of the person or company submitting the filing; and (3) a brief descriptive title of the document. All documents submitted in electronic format will be posted on the Department's website as soon as practicable at <http://www.mass.gov/dpu>. The e-mail must also include the name, title, and telephone number of a person to contact in the event of questions about the filing. Importantly, all large files must be broken down into electronic files that do not exceed 20MB. At this time, all filings will be submitted only in electronic format in recognition of the difficulty that parties and the Department may have filing and receiving original copies. Ordinarily, parties would follow Sections B.1 and B.4 of the Department's Standard Ground Rules regarding the filing of original paper versions (D.P.U. 15-184-A, App. 1 (March 4, 2020)). However, due to the Commonwealth's state of emergency, until further notice, parties must retain the original paper version and the Department will later determine when the paper version must be filed with the Department Secretary. The City's filing and all related documents submitted to or issued by the Department will be available at the Department's website as soon as is practicable at <https://eeonline.eea.state.ma.us/DPU/Filteroom/dockets/by-number> (enter "21-27"). Letter/ Continued from page 6

Therefore, it is with great confidence and trust in the Lord that we re-instate this Sunday Mass obligation. It has been a long, difficult year. People have experienced great pain and suffering throughout this pandemic. Loss of life has been immense. People continue to recover from the long-term effects of the coronavirus.

The heroes among us — our nurses, doctors, first responders and all medical professionals — were a source of enormous comfort. Priests brought the Sacrament of the Sick to COVID patients. Now we are able to join together, remembering the lives changed and the sacrifices made. Let us gather together again in joy, as one people united around the Eucharist.

In this year of Saint Joseph, who was always a faithful observer of the sabbath, we chose Father’s Day as an appropri-

ate day to encourage all of our people, and especially our families, to return to the Sunday celebration of the Eucharist.

This obligation does not apply to those who are ill; those who have been recently exposed to COVID or any other communicable illness; those who are confined to their homes or to hospitals or other facilities due to illness, infirmity, frailty, or age; and those who are not yet able to be vaccinated, due to age or any health consideration. Parishioners should consult their local pastor if they have questions about the obligation.

To all of those who have not been able to be with us during this last year, we look forward to welcoming you back to the celebration of the Mass.

Cardinal Seán P. O’Malley,  
OFM Cap  
Archbishop of Boston

USCIS issues policy update to better protect pictims

Special to he Record

USCIS is updating the USCIS Policy Manual by introducing a new employment authorization process for petitioners for U nonimmigrant status (U visa) with pending bona fide petitions who meet certain discretionary standards. This new process will allow eligible petitioners access to more timely employment authorization, which will provide these victims of crime more stability as they rebuild their lives, and will better equip them to cooperate with and assist law enforcement in investigating and prosecuting crime.

Currently, U visa petitioners are waiting at least five years before receiving a decision permitting them access to an employment authorization document. During this wait time, they face vulnerabilities, such as financial instability and fear of deportation. Through this policy update, victims will receive, without extensive delay or lengthy wait times, the stability they need while they work with law enforcement. This increase in victim cooperation will further fortify law enforcement’s ability to protect and secure communities throughout the United States.

USCIS will now adjudicate employment authorization for eligible petitioners with pending U visa petitions that USCIS determines are bona fide, or made in good faith and without intention of deceit or fraud. This new process is referred to as the Bona Fide Determination Employment Authorization (BFD EAD) process. “It is unfortunate for anyone to have suffered or witnessed criminal activity, but even more so when they are not familiar with the country and lacking necessary support in their quest for justice,” said USCIS Acting Director Tracy Renaud. “This bona fide determination process will allow U visa

petitioners to work and remain safely in the United States while they provide valuable support to law enforcement to detect, investigate or prosecute the serious crimes they have survived or witnessed.”

USCIS will deem a petition bona fide if:

The principal petitioner properly filed Form I-918, Form I-918B U Nonimmigrant Status Certification, and a personal statement from the petitioner describing the facts of the victimization; and

The result of the principal petitioner’s biometrics has been received.

USCIS will issue employment authorization

and deferred action if, after conducting and reviewing background checks, the agency determines, in our discretion, that they do not pose a risk to national security or public.

This guidance is effective immediately and applies to all Form I-918 and Form I-918A petitions that are currently pending, or filed on, or after June 14, 2021.

Congress created the U nonimmigrant visa with the passage of the Victims of Trafficking and Violence Protection Act (including the Battered Immigrant Women’s Protection Act) in October 2000. The legislation was

intended to strengthen the ability of law enforcement agencies to

investigate and prosecute cases of domestic violence, sexual assault, trafficking and other qualifying crimes, while also protecting victims of crimes who have suffered substantial mental or physical abuse due to the crime and cooperate with law enforcement authorities during the investigation or prosecution of the criminal activity. The U nonimmigrant visa program also helps law enforcement agencies to better serve victims of crimes.

# Weekend service returns to all commuter rail lines July 3

The MBTA and Keolis Commuter Services (Keolis), the agency’s operating partner for Commuter Rail, are reminding passengers that weekend service will resume on all Commuter Rail lines effective Saturday, July 3. Schedules are now available to view on [mbta.com/commuterrail](https://www.mbta.com/commuterrail).

Rail service on Saturdays and Sundays will return to the Fitchburg, Franklin, Greenbush, Haverhill, Kingston, Lowell, and Needham lines. Saturday and Sunday service will be identical across all lines.

“The resumption of weekend service represents a major milestone in the MBTA’s aggressive plans to restore service to meet rider demand,” said MBTA General Manager Steve Poftak. “With the public’s health and safety of paramount importance, we remind our customers that face coverings are still required while using all MBTA services. As we navigate the ‘new normal,’ we are designing our service schedules to best serve riders who have used the system throughout the pandemic as well as returning and new customers.”

In January, the MBTA initiated plans to match service with lower ridership levels resulting from the COVID-19 pandemic while ensuring access for essential workers and transit-critical communities. As a result of these

plans, weekend service was suspended on all lines except the Newburyport/Rockport, Framingham/Worcester, Fairmount, Providence, and Middleborough lines.

New Saturday and Sunday schedules will take effect on all lines, including those that have continued to operate on weekends since January. Passengers should visit [mbta.com/commuterrail](https://www.mbta.com/commuterrail) to view timetables and plan their trips. New schedules will represent an increase in the overall number of weekend trains operating with new, earlier options that match the needs of shift workers like essential employees in the healthcare industry.

“We believe weekend service across all lines will contribute to the steady growth in ridership seen on Commuter Rail during the pandemic recovery,” said John Killeen, Acting CEO and General Manager of Keolis. “Shift workers who previously worked Saturdays and Sundays early in the morning will now find they have more convenient options that better align with their schedules.”

Ridership on weekends has recovered with more than 50% of pre-pandemic ridership returning to Commuter Rail routes that have maintained weekend service.

Passengers are reminded that face coverings are required when riding any

MBTA service or when in stations, to stay home if they are feeling unwell, and to wash their hands frequently. In addition to regular cleaning, trains are sanitized every 24 hours and many as frequently as every 12 hours. For additional information, please visit [mbta.com/ridesafely](https://www.mbta.com/ridesafely) or [mass.gov/COVID19](https://www.mass.gov/COVID19).

Passengers are also reminded that \$10 weekend tickets are available for purchase on mTicket, on board with cash or a credit card, or in ticket offices located at Boston’s Back Bay, North, and South Stations. Tickets are valid for unlimited travel across all lines for one weekend, from the first scheduled train Saturday morning until the last Sunday evening.

## A REAL GOLDEN DOME

Where the Hall is paved with gold! Chelsea City Hall is about to shine with a golden hue this month as workers on the City Hall Tower restoration project late last week began to apply the gold sheeting to the dome and tower on City Hall, as seen here. DPW Director Fidel Maltez said the overall project is going very well, and he commented that once the new “gold dome” is unveiled in early July, it’s going to make a clear – and bright – statement. The Tower project is funded through a combination of City funding and Chelsea Preservation Act money. City Hall is listed on the National Register of Historic Places.

## Joao Emanuel Barbosa Martins

August 19, 1962 – June 8, 2021

Joao Emanuel Barbosa Martins, 58, passed away after a brief illness on Tuesday, June 8.

Born and raised in Brava, Cabo Verde, he was a beloved son of the late Ines S. Barbosa Martins and Manuel Lopes Martins. He received his education at schools in Brava and worked for years as a laborer in the building trades there. After suffering a debilitating stroke 12 years ago, he came to reside in Everett and Chelsea, living close to his family and caregivers in the area. Joao would labor to recuperate by constantly walking. He walked frequently for miles at a time from Chelsea to Revere to visit with his sister. He enjoyed many of the simple pleasures in life and an occasional scratch ticket.

He was the loving father of Catibela Bela Martins, Nelson Martins and Antonio Martins, all of Rhode Island; the dearest brother of Maria Emanuela Delgado, Audelisa Brito, Vera Lucia Barbosa Martins, Andrea Martins, Paulo Barbosa Martins, Antonio Lucas Barbosa Martins and Carlos Albert Barbosa Martins and he is also survived by nine grandchildren.

Visiting hours were held at the Welsh Funeral Home, 718 Broadway, Chelsea on Monday, June 14 and his funeral was held at the funeral home on Tuesday followed by a Funeral Mass at St. Rose Church, Chelsea with interment at Holy Cross Cemetery, Malden. Family and friends may offer condolences by means of the online guest book by visiting: [www.welshfh.com](http://www.welshfh.com)

Joan A. Beraldi, a longtime resident of Revere, passed away on June 12, just weeks before her 86th birthday.

Joan was born in Cambridge on July 4, 1935 to the late Walter and Josephine Trokiel. The family moved from Cambridge to Revere in 1950.

Joan worked as an electronics technician in the Greater Boston area. After retirement, she worked as a school bus driver taking special needs children to school. She enjoyed the relationships that she developed with many of the children and their parents and looked forward to greeting the kids each day.

Joan enjoyed many activities and hobbies. She was an excellent cook and enjoyed preparing delicious meals with portions that were large enough to feed twice as many people than were seated at the table. Every holiday was like Thanksgiving. She also enjoyed taking an occasional break from cooking to eat at restaurants with family and friends, which was often an adventure for those at the table because of her high expectations of the quality of the cooking. She was passionate about animals and had many toy poodles as pets, including her favorite, Toby.

She always kept a full bucket of peanuts on hand to feed the squirrels and birds. She traveled to various parts of the world, such as a trip with her daughter to Spain and another trip to Dubai to visit her grandson and his family. She enjoyed close-by trips with friends to local

casinos. Finally, she enjoyed spending time outdoors planting flowers and various types of trees.

She was predeceased by her late husband, Joseph L. Beraldi and is survived by her son, Robert J. Palermo of Revere and her daughter, Deborah A. Belfiore and her husband, Joseph Belfiore of Hampton, NH; her grandsons: Robert J. Palermo Jr. and his wife, Renee M. Palermo of Caledonia, Michigan, and Matthew P. Palermo and his wife, Yulia Palermo of Dubai, UAE. She also leaves behind four great-grandchildren: Jadyne, Briella, Aleksandra and Ander Palermo, who she enjoyed spending time with on Facetime.

A Funeral Mass was celebrated at Saint Anthony of Padua Church, 250 Revere St., Revere on Wednesday, June 16 followed by a private burial service for family at the Puritan Lawn Cemetery in Peabody. In lieu of flowers, given her affection for animals, donations may be made to the Animal Rescue League of Boston or a charity of your choice. For guest book please visit [www.buonfiglio.com](http://www.buonfiglio.com)

Rotary Joins with PACT to end human trafficking

Staff Report

Rick Naylor, Executive Director of PACT and Karen Walkowski, President of Rotary Club to End Human Trafficking (RCEHT) an international club, announced a strategic partnership to further the mission to end human trafficking across the globe.

“The partnership with PACT is precisely what our mission was centered on: prevention through education and advocacy to students of all ages,” Walkowski stated. “It was essential for us to have an established leader in the field that has a proven solution that was created for students by students”, Walkowski continued. “Along with the leadership and support of Dis-

trict 5950 and the initial dozen states and 6 other countries committed to the Rotary Club to End Human Trafficking, we are now staged to share a global solution that is sustainable and encompasses Rotary Clubs all over the world to join the mission.”

“On behalf of our Board and our PACT team members, we are extremely excited about the opportunity to work with the leadership at Rotary Club to End Human Trafficking and the prospect to reach 1.2 million Rotarian members across the globe let alone Rotaract youth leaders and Interact students”, said Rick Naylor. “As a fellow Rotarian, it is our work of community service that is the most meaningful for the success of any global project.”

CHELSEA HIGH SCHOOL 2021 GRADUATION

OSCAR AMAYS YANES  
CLASS VALEDICTORIAN

“Hello Class of 2021, family, friends, teachers, CHS faculty, and administrators, Firstly, I would like to thank my family, especially my mother, for believing in me, even when I doubted myself. To my friends who have checked up on me, providing their insightful advice on life. To my school counselor for her unrivaled enthusiasm and reassurance throughout not only the college application process, but also my high school experience as a whole. To my Summer Search mentors who had listened to my struggles, and provided guidance in a way that reignited my motivation to strive for more. To my teachers, too numerous to list off, who have taught me valuable academic knowledge alongside problem-solving skills that I will bring with me in life. To my cross country and track coaches for helping me realize the importance of communication, team building, and community. And, to the administrators, security, CHS dining and grounds staff who ensured that daily life at CHS ran smoothly. Thank you.

Now to our class, I would also like to take this time to appreciate and

applaud all of our efforts to make it here today, as those efforts cannot be understated. It’s been a long four years and throughout these years, months, weeks, and days, I’ve learned the importance of cherishing the present. What may once seem a constant in one’s everyday life can change at a moment’s glance.

For example, in a blink of an eye, our high school experience changed as a result of COVID 19.

Many of us have experienced fears related to housing, food shortages, job layoffs, mental health, personal motivation, discrimination, and much more. Through such experiences, we’ve learned to accept the challenges that come our way and move forward. We all have encountered various challenges in our lives not solely confined to our high school experience, which have shaped us in ways we may not know.

I also think it is important to highlight how this past year has brought about a rise in civic engagement. As some of you may know, I’ve always been on the quieter side of things. And truthfully, I don’t believe I’m the best candidate to be provid-

ing this speech, but here it goes: it’s okay to make change in your own way.

In a day and age where individuals use social media on a daily basis, it’s easy to think that there’s only one way to be an activist. However, it’s okay to be your own type of activist. To those who are bold in your activism, I applaud you. To those of you who are quietly engaging in activism, your efforts are also appreciated even if they sometimes go unnoticed. Take actions at your own pace, as long as you’re sincere in your work.

To conclude, my message to all of you is this: all forms of activism are essential and the most important thing is to be true to yourself. To bring about change, it takes all kinds of people: , funny, loud, bold, assertive, social.. the list goes on. In other words, this means we are all capable of making a difference. While the future may be uncertain, do not let the fear of the unknown sway you to miss out on a chance to grow. With that, I want to wish you luck in your future adventures and keep striving.“

THOMAS AMBROSINO  
CITY TOWN MANAGER

On behalf of the City of Chelsea, I want to congratulate the Class of 2021 on their graduation.

It goes without saying that this is a unique year in the annals of Chelsea High, likely one never to be repeated in your lifetime.

I’m sure for many of you, missing out for much of the year on socializing with your classmates and getting to enjoy typical senior year events has been disappointing.

But, I do think you have to take some pride in knowing that despite enduring one of the most difficult years in this City’s

history, and overcoming a pandemic in a City that, for the past 15 months, was among the hardest hit in the entire nation, and no doubt took some personal toll on your own family, you managed to maneuver through all that to meet your academic requirements and secure a high school diploma.

Please don’t dismiss that as insignificant. Don’t minimize the value in learning to handle adversity and mastering the ability to adapt quickly to difficult circumstances. Your life is going to be full of adversity– personal setbacks, unexpected

obstacles in your career path, twists in your best laid plans.

But, you now have a lived experience that will serve you well in your future. Having lived, survived and thrived in a community that suffered the worst of COVID, I’m confident you will be ready for whatever life throws at you. That amazing grit and determination you exhibited in this past year will ensure your success in the years ahead.

I will you the very best in the future. You certainly deserve it.

RICHARD FLORES  
CLASS SALUTATORIAN

Class of 2021! You have made it, after four years of hard work, you have made it to the next stage of your life. You know coming from our freshman year sitting down getting booed at by upperclassmen at pep-rally, to persevering and speaking up about the challenges of remote learning.

Yes, it hit us hard, remote learning was a challenge, but each and everyone one of you put the effort to get work done to be able to graduate. These four years aren’t what a traditional four years at high school look like, but we made the best out of it. We overcame challenges, especially the tough battle with covid in our city, through perseverance and advocacy.

What covid has made me realize now that I reflect back on high school is the importance of a school community. What makes school better is walking period through period calling out your friend, or waiting to gath-

er with them, next class. Socializing with your friends every day. Having those who push you to work harder or just makes your day better.

It not just about our school community, but also the importance of people at home. For me, It is my mother and brother. I would like to thank them for always encouraging me to do better, although frustrated that I was involved in so many activities, they always supported me every step of the way. I would also like to thank my friends and teammates for always making my sports and classroom experience more fun and engaging.

However, I wouldn’t be in the position I am today without the help and guidance of my teachers and staff. Thank you to all the CHS educators that guided me with knowledge these past four years, it is because of your help and guidance that I will be attending college next fall and it is because of the op-

portunities you provided to me that I am where I am today. I would like to give a special thanks to Ms. Ascher, all though she can be frustrating sometimes, her help has made me a better student, but a much more confident person.

I would like to also thank my sports coaches for always being there and supporting me through academic and athletic training. Encouraging me to work hard both in the field and in the classroom.

As for our next step in life, I want to put an emphasis on knowledge. One of Riley B. King’s ( a songwriter) famous quotes says, “the beautiful thing about learning is that nobody can take it away from you.” Knowledge and education are great elements of success, and success is achieved by choice, not by chance. Every graduate has the capability to be successful in the workforce. CHS class of 2021, although it was a tough time, you made it through, congratulations.

DR. ABEYTA  
GRADUATION SPEECH

Congratulations class of 2021! It is an honor to be here today. Parents/guardians, congratulations. It has been quite a journey...hasn’t it?

What do you say to the class who spent their senior year in remote learning? I put myself in your shoes and thought, “I’ll do my best to keep this short and sweet because today is about you, Class of 2021!”

Graduating from high school is a huge milestone! We are so proud of you! I know how hard you have worked - - long hours of working remotely and not seeing your teachers or friends in-person. But, you did it! Each of you persevered through those zoom lessons.

As you graduate and move to the next season of your life, may you remember the strength and influence you have. Each of you has unique gifts and talents. May you use your gifts and talents to the benefit of society. You may be thinking, I am just one person...what difference can I make? Dream big and never give-up. You have the potential to

be anything you would like to be.

You may not have heard about a man named Procopio Jirón. However, Procopio Jirón is why I am your superintendent today -- he was my grandfather. And, I stand on his shoulders. My grandfather was born in 1915 in the San Luis Valley of southern Colorado. He was the eldest of 13 children and was expected to take on the family business of farming; however, he had a love for learning and a dream to attend college. At the age of 18, he set out to pursue his dream of attending college. As a result, his parents disowned him and he was left to support himself while studying education in college. He used to tell us stories of how he survived on peanut butter and jelly sandwiches for weeks at a time, and how he would plant trees on his college campus at Adams State to make ends meet while in college. My grandfather eventually graduated from college, one of few Latino males in the class of 1937. He became a teacher and married another teach-

er. My grandparents had 7 children, who became teachers and had a total of 18 grandchildren. I am the 5th eldest of the grandchildren. Of the 18 grandchildren, all 18 of us have college degrees...My grandfather left us a legacy and changed the trajectory of generations, but it came at a cost to him at first. He was determined to pursue his dream and in turn His legacy now lives in me, and I share this legacy with you!

Don’t ever let anyone tell you that you cannot achieve your dream or goals. Pursue the desires that are in your heart. And, despite the cost, don’t give up. Never give up! We are counting on you to be the next teachers, doctors, lawyers, scientists...who knows, we may have a future president in the Class of 2021. The world awaits you - - and we need you!

I wish you my heartfelt congratulations on your accomplishments and your graduation today! Congratulations Class of 2021!

over many years and in 2013 we formed the Street Robbery Task Force and Carlos was one of five police officers to be part of that pro-active group,” he said.

Because Vega had attended Curry College and Bentley College with degrees in Criminal Justice and Engineering, Kyes said he had unique skills and found a home as the Property and Evidence Officer.

He was a committed worker, and though his cancer treatments would sometime push him from work for a while, he would always return quickly.

“He worked up until about six weeks ago,” said Kyes. “He loved his work.”

Beyond that, Det. Vega was a resident of Chelsea on Spencer Avenue, and was president of Chelsea Little League at one time, as well as Chelsea Pride and Pop Warner Football. His commitment to the youth of the city was clearly seen.

“He was heavily involved in the lives of the youth of the city and as a life-long resident, he was invested in Chelsea in general,” said Kyes. “The impact of his loss is profound. Everyone is feeling it. He’ll be missed, but never forgotten.”

Vega’s badge, #138, has been passed on to his son, Officer Carlos Vega Jr., as well as his personal locker at the station.

A funeral Mass at Our Lady of Grace took place on Monday, with full honors and nearly every Police Officer available in attendance.

She said they will be hiring staff, and she said she probably would bring some people along that she trusts to help the business along. Meanwhile, she said security will be paramount, and she would not tolerate loitering, using the product in the surrounding neighborhood or throwing packaging on the ground. She said to prevent such litter, they would tag each

package with a unique ID and anything found could be tracked to the customer – who would face consequences if they returned.

She said she plans to really upgrade the old tuxedo shop (Russo’s) on the Parkway, and indicated the shop they are building in Somerville is very luxurious and professional. That will be the same case in Chelsea as well.

She said if anyone is to be trusted with this new industry, she said she hopes Chelsea will trust her and her company.

“I’ve invested years into Chelsea and I have nowhere else to go,” she said. “Chelsea is my hometown.”

# With Eviction Moratorium ending June 30, families in Chelsea have options for help

While the Commonwealth of Massachusetts begins to ease many of the restrictions that have been in place since the start of the pandemic, families in Chelsea and throughout the state are still facing the risk of losing their homes due to financial hardships brought on by the COVID-19 public health emergency. Now, due to additional federal funding, there is increased emergency housing assistance available to Massachusetts individuals and families through the Emergency Rental Assistance Program (ERAP).

With the launch of ERAP, which builds upon the popular and effective Residential Assistance for Families in Transition (RAFT) and Emergency Rental and Mortgage Assistance (ERMA) programs, Metro Housing and our regional partners across the state now have resources to help families with incomes up to 80 percent of the area median. For a family of three in the Boston region that level is \$90,950.

In the month of May, Metro Housing provided rental assistance to more than 4,500 families, distributing \$11.5 million. In Chelsea more than 1,800 families received \$4.8M in rental assistance.

Here are the key elements of ERAP:

Renters must be able to provide a statement attesting to unemployment, decreased wages, or increased expenses due to COVID-19.

Households may be eligible for up to twelve (12) months of rental arrears (plus an extra 3 months if

funding allows and need is demonstrated), as well as overdue utilities arrears up to \$1,500. All rent and utility arrears must have been, accrued after 3/13/20.

Under RAFT/ERMA, renters and landlords may receive up to \$10,000 during state of emergency and up to \$7,000 for six months after end of state of emergency.

Renters applying for assistance may earn up to 80% of Area Median Income (AMI).

For comparison, RAFT has an income eligibility limit of 50% AMI (60% for Domestic Violence); ERMA has the same eligibility limit of 80% AMI. Applicants to the RAFT and ERMA programs may also be considered for ERAP; no additional or separate application is required.

Residential Assistance for Families in Transition (RAFT) Program

The RAFT program helps keep households in stable housing situations when facing eviction, foreclosure, loss of utilities, and other housing emergencies caused by loss of income, increase in expenses, or both. RAFT helps all kinds of households by providing up to \$10,000 per household to help preserve current housing or move to new housing.

Funding can be used for a variety of needs, including rent or mortgage arrears, security deposits, or other expenses to help households obtain or maintain stable housing. Households with incomes up to 50% of Area Median Income (AMI), or 60% of AMI for people who are

at risk of homelessness because of domestic violence, are eligible for assistance.

Emergency Rental and Mortgage Assistance Program (ERMA)

ERMA can provide rental and mortgage assistance to low-income households who have been impacted by the crisis and may not be eligible for RAFT. This program is available for households within the 50-80% range of Area Median Income (AMI). Like RAFT, ERMA may provide up to \$4,000 for eligible households to assist with rent or mortgage arrears accrued after April 1, 2020 and/or with upcoming rent or mortgage payments.

Subsidized Housing Emergency Rental Assistance (SHERA)

SHERA is a collaboration between the Massachusetts Department of Housing and Community Development (DHCD), MassHousing, and the Massachusetts Housing Partnership (MHP), and allows qualified owners of income-restricted units, as well as Local Housing Authorities, to apply for help directly on behalf of all their income-eligible residents with past-due rent.

Currently in a pilot phase, SHERA will expedite relief to tenants in need, while also allowing regional administering agencies to concentrate on applications from non-subsidized tenants in need of assistance.

Additional information on these rental assistance programs, including the online application, can be found at [bit.ly/Rentrelief](http://bit.ly/Rentrelief).

# \$390k investment in Gateway City downtowns

Staff Report

MassDevelopment has awarded \$390,000 in grants to nine organizations to implement outdoor dining, business signage improvements, district branding and marketing plans, placemaking and wayfinding projects, public events, and more through locally developed business assistance programs in Gateway Cities. The grants were awarded through MassDevelopment’s Transformative Development Initiative (TDI) Local program.

“Massachusetts’ Gateway Cities are home to dynamic downtowns with one-of-a-kind shops and restaurants,” said Housing and Economic Development Secretary Mike Kennealy, who serves as chair of MassDevelopment’s Board of Directors. “As these neighborhoods recover from the impacts of COVID-19, MassDevelopment’s TDI Local awards will provide a timely boost to help businesses attract and welcome patrons through their doors.”

MassDevelopment’s Transformative Development Initiative works with cross-sector partnerships in targeted commercial districts in Gateway Cities in order to engage communi-

ty members, implement local economic development initiatives, and spur further public and private investment. During the program’s first five years, MassDevelopment has invested \$18 million in TDI districts through tools such as technical assistance, real estate investments, grant programs, and fellows who work in the districts. That investment has directly influenced over \$78.7 million in public and private investments in the districts, and assisted an additional \$84 million. Created in 2017, TDI Local is a small-business grants program that supports local market development by fostering business, resident, and property-owner engagement, building community identity, and improving the public realm in TDI districts. In 2020, MassDevelopment redirected resources from the program budget to develop TDI Local COVID-19 Emergency Grants as a direct response to the emergency faced by Gateway City small businesses impacted by COVID-19-related closures or loss of business. From 2020-2021, MassDevelopment awarded \$1,055,000 in TDI Local COVID-19 Emergency Grants to 10 organizations to provide

relief for small businesses. For this round, fiscal agents in TDI districts in Chelsea, Chicopee, Fall River, Fitchburg, Lawrence, Springfield, and Worcester (Main South) will receive \$30,000 district grants. Fiscal agents in these communities, as well as fiscal agents in the areas of Attleboro, Barnstable, and Brockton served by TDI, were eligible to apply for additional competitive grants of up to \$50,000. The following project in Chelsea received funding

•Chelsea Business Foundation (Chelsea) – \$65,000

Chelsea Business Foundation will use a \$30,000 district grant to help restaurants improve their outdoor dining capabilities by providing funds and technical assistance for the design and implementation of outdoor dining spaces, and by guiding Latinx-owned and other small businesses through the permitting process and regulations for outdoor dining. The organization will use a \$35,000 competitive grant to expand the City of Chelsea’s signage improvement pilot program, which helps businesses create a cohesive design consistent with their offerings.

about the incredible legacy that Hanton established at NSMHA.

“I am not sure what I can say about Kim Hanton – I don’t have the skill with words to capture what Kim means to many of us personally, to North Suffolk as an organization and to the citizens of the community we serve,” Moore told the gathering. “She is a force – full of energy and optimism. She works hard and gets things done. She calls it like she sees it – in the kindest and strongest way, what a gift! She is passionate. She believes in people and their capacity to be better. And she is determined to make sure there are opportunities to bring that to reality.

“Most of us here today have been touched in profound ways by this amazing woman,” continued Moore. “It is my privilege and honor both to recognize her retirement and to dedicate this house and this program to her legacy.”

Moore presented to Hanton a Chelsea Clock, a distinguished symbol of

Kim Hanton and her proud family at the dedication and ribbon-cutting ceremony for the Hanton House on Clinton Street.

excellence.

In a heartwarming acceptance speech of the major honor, Hanton thanked her family and colleagues for their support.

“North Suffolk Mental Health Association’s to continuous quality improvement and team building kept my attention always,” said Hanton. “But I would be remiss if I did not mention my first

team that taught me how to be a good partner: my family. I was brought up in a family village known as West Revere, surrounded by family, who taught me to love and have acceptance for others. Thanks, Mom, Uncle Sonny, Uncle Paulie, and thanks, Deb (sister).

“I was blessed to have chosen a partner, Dennis, who supported my

dedication to a cause that wasn’t always popular and together we built a family, Denny, Haley, James, and our most recent addition, my first granddaughter, Charlotte, or as we call her, “Charlie,” said Hanton.

Hanton said that her original professional goal was to be a schoolteacher, but the passage of Proposition 2 ½ and the ensuing

budget cuts altered her plans.

“I chose to look at it as fate,” said Hanton. “I then began my journey of social work and never looked back.”

Hanton said she met so many special people in her career at North Suffolk. “I challenge all of you to find a special person who inspires you, someone you don’t want to disappoint, someone who makes you want to be a better person, and for me that is Judi Lemoine, your COO (chief operating officer).”

Hanton praised the colleagues and families with whom she collaborated to help others while at North Suffolk. “Each of you have given me more than you will ever know,” she said. Hanton talked about the mission of the Hanton House. “I hope the Hanton House will be a symbol of recovery that provides guidance through a lens of acceptance and appreciation for the differences that unite us all. The Hanton House will be a home for those seeking a new journey of travel, needing time to heal, time to learn,

and time to build, with a team they can trust and rely on, because that team will be comprised of folks that will listen.

“For those of you that have worked with me, you know I take every opportunity to quote those far wiser than I. I will leave you with this from the Dalai Lama: “When you talk you are only repeating what you know. But if you listen you may learn something new.

“So please take a moment each day to listen,” said Hanton. “For this will make a difference in someone’s else life.”

As guests made their way up the stairs to tour the Kim Hanton House, they stopped to thank and take photos with the guest of honor, Kim Hanton. The smiles and well wishes were plentiful and sincere. Hanton left her mark at NSMHA and the Kim Hanton House is a testament to her excellence.
